SYSTEMS

TERA® Panel Systems

**Special
Order**

All products shown on this page are available on a special order basis. Please call with your requirements and pricing.

A2

Couple the benefits of Grade A panel system quality with the exceptional pricing, service, and support from TERA®. Select from a wide variety of fabrics, finishes, and laminates to create an environment that offers aesthetics and privacy.

A2+

Enhance your TERA® A2 environment with a tiled-look. By incorporating one or many A2+ panels in an environment, TERA® customers can join value and unique design options into a beneficial panel system environment.

PFT

PFT systems offer enhanced wire management, a wider panel thickness for design and stability, and an ability to individually create a dressed-up environment using fabric, laminate, white board, glass, and/or painted tiles throughout a work station.
